

ACCREDITATION OF ELECTRIC VEHICLE CHARGING STATIONS (EVCS) PROVIDERS AND REGISTRATION OF EVCS

ADVISORY

13 June 2023

The Department of Energy (DOE) has issued the Department Circular No. DC2023-05-0011 or the Guidelines for the Accreditation of Electric Vehicle Charging Stations Providers and Registration of Electric Vehicle Charging Station (EVCS) Pursuant to the Electric Vehicle Industry Development Act (EVIDA). Thus, we would like to inform all EVCS Providers to comply with the requirements provided in the said DC.

Copy of the DC2023-05-0011 can be accessed through:

[Click here.](#)

The DOE through the Energy Utilization Management Bureau (EUMB) is now accepting EVCS Provider Accreditation and EVCS Registration Applications. In addition, please be informed that the DOE through EUMB will accept EVCS Registration applications per location. *Provided, That* the EVCS is interconnected with the same electrical system, located in the same unit building/floor, and bounded by the same building, unless, separate application/s will be required.

Please submit your application/s in **.pdf and .doc/.docx file format** through email at doe.eumb@gmail.com, CC: doe.EVoffice@gmail.com.

For further inquiries, you may call the Dedicated Electric Vehicle Office of the EUMB through telephone number: (02) 8479-2900 loc. 406.

We look forward to your compliance.

Thank you.

Very truly yours,

PATRICK T. AQUINO, CESO III
Director IV
